Location Spotlight

Arcade Legacy moved to the mall in 2009. They are the only thing left INSIDE the mostly dead mall. It's worth going just to see the mall. The arcade is all ages. It's also a store where you can buy and sell games, consoles and collectables. It's only \$10 to play all day. There is a new monthly pinball tournament here on the final Wednesday. \$5 to get in and \$1 for the tourney. All games on free play for the tourney, leave your quarters at home.
