Pin Headz Trivia

Before the game started I was bragging about how my questions are so diverse no one would be able to **consistently dominate** the general trivia game.

Well... **SanAntonioPinball** proved me wrong as he won his **THIRD general trivia game in a row!** **WTRpin** came in second.

No trivia in September.

But it will return with

pinball trivia in October or November.

Newport

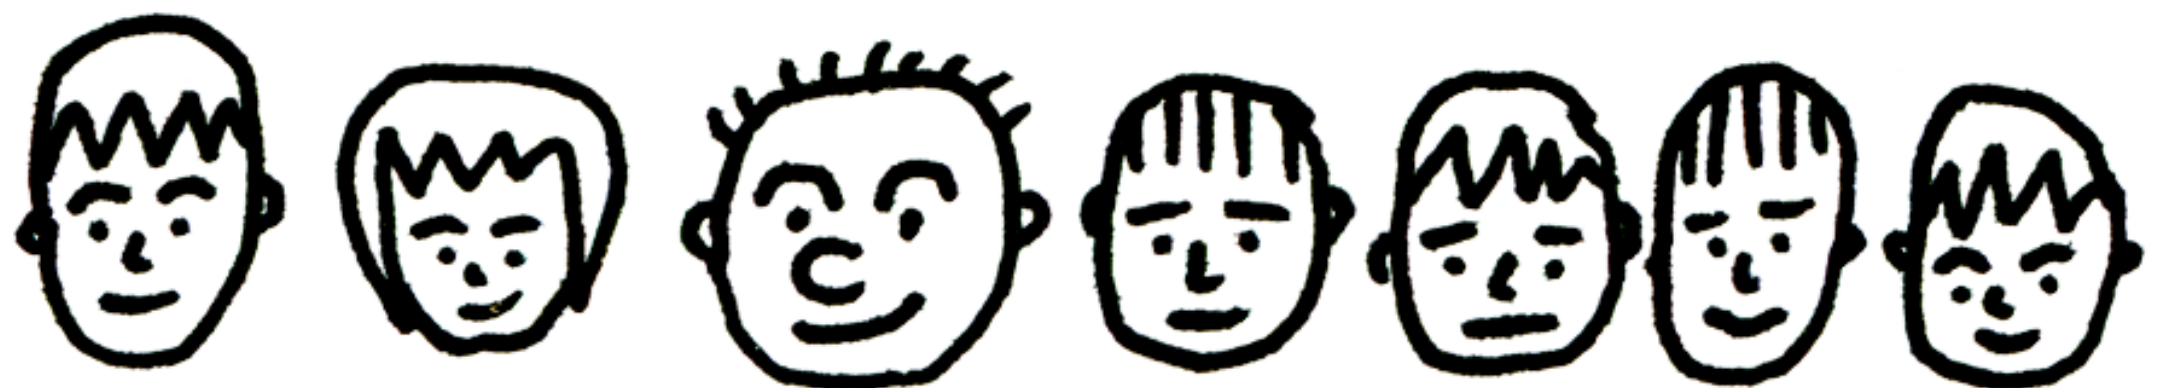

The first TWO local **IFPA sanctioned** tournaments of 2021 happened on August 15th at **Arcade Legacy** in **Newport**. The arcade has moved to a new location and will be fully open to the public soon. Thank you to **Jesse Baker**, owner of Arcade Legacy for hosting this tournament. The first tournament started at Noon with 38 players.

Brian Heath of Columbus, OH won the first tournament which consisted of 7 rounds of match play qualifying with the top 8 players going to the finals.

Double Header

The second tournament was 4 strikes (or knockout) 35 people played. After 11 rounds of play the only remaining players were **Jesse Baker, Carlos DeLaSerda** and **Stu Nyswonger** all with 3 strikes. Round 12 was on **Iron Man** and **Stu won the game** and thus the tournament. Both Stu and Brian won cash and over **20 WPPRs** (world pinball player ranking points) for their wins.

deepr00t

On August 20th the SEC filed a 24 page formal complaint against **Robert J. Mueller** and **deepr00t funds** which owns **deepr00t pinball**.

The complaint alleges Robert scammed investors out of their **retirement savings** and was using investors money to fund personal expenses:

including a condo in Hawaii, a **divorce and TWO weddings**.

Hopefully someone can buy the deepr00t assets and release **Retro Atomic Zombie**

Land. Many talented people from the pinball industry have been working there for years. It would be a shame if nothing comes out of all that work and expense.
