SUBS \$2 A month FOR the LE limited edition
paypal_editor@pinheadzmag.com

When I started this zine in **Jan 2020**, I had no intention of posting full issues online. I distributed three issues before COVID shut everything down. I wanted to keep the pinball community informed and entertained. So I started posting issues on Facebook. However, issues 1-3 have never been posted online. **Bonus Junk** this month is a limited edition **reprint of issue #1** with **hand painted** covers. And over the next three months I will post issues #1-3 for the first time on Facebook.

Most new players tend to shoot shots on the left side of the playfield with the right flipper and vice versa. This is a **forehand** shot. But a **backhand** shot is often safer and easier. You don't want the ball to have horizontal motion.

PLAY BETTER!

Played in America

Last month on June 5th **Jeff Teolis** kicked off his "Played in America" tour at **Arcade Legacy** in Newport. Jeff is the creator of the **Pinball Profiles** podcast. Check out Ep. 344 for an interview with Arcade Legacy owner and tournament winner **Jesse Baker**. **Larry Scott** was second followed by **Willy Allen** and **Jeff Teolis**. We had 29 players and most of them won fantastic raffle prizes thanks to Jeff and many generous sponsors.
