If you are buying used, it gets trickier. If you have a local pinball community let them know what you are looking for. The best deals are usually close to home. Pinside, Facebook (groups and marketplace) and eBay are other popular options. Many distributors also deal in used games. Prices will vary greatly on used games depending on the seller, location and condition. The biggest thing to look out for is **SCAMS**. If it's too good to be true, it probably is. "Cash on the glass" is the best way to buy. **Don't send money to anyone you don't trust 100%,** make sure they have references from people you personally know.

Tourney Recap For July

The final **Ghost Town Showdown** happened on July 19th at **Arcade Legacy at Forest Fair Mall**. It was somewhat fitting that the air conditioning at the dead mall wasn't working. **It was a HOT day.** We had 39 brave souls brave the heat. Columbus area teen **Gregory Kennedy** won the event, cash and over 20 WPPRs.

On July 25th, 20 players competed in **The Pinball Garage x Arcade Legacy VIII** 4-strike tournament. Going into Round 16 only two players remained. **Jesse Baker** needed to win two in a row vs **Stu Nyswonger**. And Jesse prevailed with wins on White Water and TMNT, winning cash and approximately 10 WPPRs.
