Three Years

Much has happened over the last 3 years. We only got 3 issues out before COVID shut down the world. There was almost no issue #4.

But pinball came back. Tournaments are back. We have watched new pinball venues open and sometimes close. Pin Headz website is still coming soon, ha ha. **Subscriptions are still \$2 a month.** Stamp prices have increased TWICE, from 55 cents to 58 and now 60. And prices are increasing to 63 cents early next year. Here is to many more years.

2023 WPPR Rule Updates

The **IFPA** sanctions pinball tournaments and awards World Pinball Player Ranking (**WPPR**) points to players. Every year they update the rules. One proposed rule change this year is to award longer tournaments and leagues with up to 50% more points. IFPA state finals and **major events** may also get a WPPR boost. **Flipper frenzy** tournaments could be worth **50% LESS** next year. Read more about these proposed changes and others on **tiltforums.com** and check out the full current rules on **ifpabinball.com**.
